## HEALTH INFORMATION

*Hesperus Camp operates under a Child Care License in the State of Colorado. To maintain that license, we must strictly adhere to a number of guiding laws pertaining to medical issues. Escalating regulations require us to operate in an increasingly restrictive manner, which we understand may cause unfortunate inconvenience and cost you. As such we are striving to streamline the process and eliminate any confusion, with the goal of having an incredible camp experience. Please read and understand the following regulations and procedures. Please call us if you have questions or need clarification: (970) 385-4389.*

*These medical regulations fall into five primary categories, each of which affects our ability to serve an individual as a guest. Below are listed each category and an explanation of the laws pertaining to it.*

## HEALTH HISTORY

*Each guest must furnish a health history which indicates communicable diseases and chronic illnesses or injuries the individual has had, any known drug reactions and allergies, medications being taken, and any prescribed dietary needs.*

Please list all communicable diseases with which your camper has had contact in the last two weeks. (common cold, strep throat, pink eye, etc.) \_\_\_\_\_

Check if your camper has or had the following:

## MEDICATIONS

*By law, a licensed physician must supervise our processes, train us, and then legally delegate to us the permission to provide any health service. In so doing, the physician is personally liable for our actions and their medical license is in jeopardy. The following regulations have no flexibility. Home remedies and homeopathic medications MAY NOT be administered at camp.*

**ALL MEDICATIONS, whether PRESCRIPTION or OVER THE COUNTER (OTC)**, whether topical or oral (including vitamins) must be checked in upon arrival at camp and can only be administered by certified staff. The only exceptions are rescue inhalers and Epi-Pens (accompanied by written Physician and Parent authorization), which the individual must carry with them always. The regulations also require that absolutely **NO** medications may be administered to your camper without a **HEALTH CARE PROVIDER AUTHORIZATION form**. As such, your physician must specifically authorize ANY medication your camper may potentially need, such as Benadryl, Pepto Bismol, Tylenol, etc., and **you must send it with your camper. The camp will not provide OTC medications. If a need arises for medication for which we have no authorization, utilization of Urgent Care or the Emergency Room will be our only option.** To comply:

- Each medication must be accompanied by a **HEALTH CARE PROVIDER AUTHORIZATION to ADMINISTER MEDICATION** form, and the form must be signed by the PHYSICIAN and the PARENT. A form is attached. Please make as many copies as needed. You may already have a form for this purpose, and it may be used if it contains the exact information required by our form.
- Each medication must be in the **ORIGINAL PHARMACY LABELED CONTAINER** (including OTC medications).

**OTHER TREATMENTS**

We will assume that your camper has brought with them everything they need (sunscreen or clothing) to fulfill your instructions.** The camp has sunscreen available at First Aid if they request it. We offer a **common brand of SPF 50** lotion. Your camper will be instructed on, and responsible for, reapplication according to the label.*

If you **DO NOT AGREE** to these topical treatment policies, please indicate below by **INITIALING** next to your exception(s).

## RELEASE AND WAIVER OF CLAIMS

In the event that my camper should need emergency medical care or attention, Hesperus Baptist Camp (HBC) or any one of its agents or employees is hereby authorized to consent to the provision of such emergency medical care, including without limitation, medical, dental, surgical care, or hospitalization, to my camper as is recommended or suggested by a health care professional.

If such emergency care is provided to my camper, I understand that my camper's health insurance information will be given to the health care professional and that any expenses not covered by my camper's insurance shall be my responsibility. I understand that HBC will not be obligated to pay either the health care professional or me for any medical expenses incurred on behalf of my camper.

There are instances when third party contractors are used to operate and supervise various events and activities (such as whitewater rafting). In those instances where third party contractors are used, I agree to hold harmless the third-party contractor and HBC for the action of these third-party contractors with respect to injury, disability, death, or loss or damage to person or property. I further agree that HBC is also not liable for the actions or activities of participants or sponsors participating in events or activities operated by third party contractors.

I give authority and permission for my camper to be transported from, or otherwise leave HBC property as needed for the purposes of participation in supervised off-site program/recreational activities as described in the Parent Information Sheet. I understand that the risk of injury from any recreational activity (including whitewater rafting and zip lines) is significant, including, but not limited to, the potential for permanent paralysis and death. While rules, equipment, and personal discipline may reduce this risk, the risk of severe injury does exist. I knowingly and freely assume all risks, both known and unknown, even if arising from negligence, and assume full responsibility for my camper's participation and observing of such recreational activity.

Furthermore, in consideration of my camper being allowed to attend HBC, I, on behalf of myself and my camper, hereby waive, and I hereby agree to indemnify and hold harmless HBC, its agents or employees, against any and all causes of action, rights, claims or suits which I or my camper may have against HBC, its agents or employees as a result of injury to my camper, including, but not limited to: (1) injuries arising from my camper's participation in or observation of recreational activities at HBC, and (2) injuries arising from the decision of HBC or its agents or employees to consent to the provision of emergency medical care to my camper.

I give authority and permission to HBC, its staff, or its agents to inspect my camper's belongings while at HBC. I understand that HBC is a place where many campers seek counsel and advice from adult leaders, staff, sponsors, and others. I hereby consent to my camper receiving spiritual counsel during their time at HBC.

I have received and read the Parent Information Sheet about HBC including the list of recreational options and I have received satisfactory answers to all my questions about such information. **I understand that my camper may not participate in camp without completing this "Minor Registration Form."**
